

Elephant and Worm Educational Theatre Company presents
LIGHTS! CAMERA! AWESOME!

PROGRAM GUIDE

LIGHTS! CAMERA! AWESOME! is an exciting multi-media workshop where kids learn how to combine art, literacy, and theatre skills to create their very own team movie!

Our award-winning staff of artist-educators uses game-based interactive exercises to guide our LCA campers through the process of designing, writing, and performing an exciting video.

After the workshop, our team of professional filmmakers assemble the children's work into a complete, polished mini-movie that can be seen at our website, elephantandworm.com OR on a DVD that includes over an hour of movies and shows made with kids from all over the country!

- **2-HOUR WORKSHOP**
 - For information about LCA residencies and after-school programs, please contact Program Director Joseph Lewis at elephantandworm@gmail.com
- **AGE GROUPS:**
 - 7-12 year olds
 - 13-18 year olds
- **PRICING:**
 - Groups of less than 30 kids (2 instructors) - \$350
 - Groups of less than 50 kids (3 instructors) - \$450
- **HOW TO WATCH:**
 - *DVDS* - Each workshop session includes 2 DVDs, with additional DVDs available for ordering through our website at elephantandworm.com. DVDs are shipped within 2 weeks of completion of workshop.
 - *ONLINE* - Videos are completed and uploaded for online viewing by our professional post-production staff within 2 weeks of the completion of workshop.
- The privacy of our young artists is our primary concern. The online videos made by your kids are password protected to ensure the privacy of all the young artists.
- And with the permission of the parents, all the videos produced at our LCA workshops have the chance to be premiere on *EWTV*, our online kids variety show!
